

Food, glorious Food!

And a story to go with it

Invitation to all Allston-Brighton residents – We are compiling stories and recipes for a book: *The Food and Folks of Allston/Brighton* and would love to hear from you.

Our community cuisine includes flavors created locally and brought here from places around the world. It's a mix of family favorites and long standing cultural traditions. Tell us about your favorite dish.

A member of the Brighton Allston Historical Society (BAHS) will conduct short one-on-one interviews:

How long have you lived in AB? 1st generation or long family history here? What was the draw to AB? Where were you before? What is your favorite personal or family recipe? Is there a story behind it?

Please contact: Linda Mishkin, President, BAHS, to arrange for a time to meet:

lindamishkin@gmail.com

Deadline: April 1, 2017
